

HELLO!

It's that time of year again, and we hope you will be registering your child so that we can field as many teams as possible for the coming season.

Last season we started registering each child with the fainet.ie website. This is now a requirement from the Midlands Schoolboy and Girls league.

What this means is that if you registered a child last season you will not have to fill out any forms this time around. All you will need to do is confirm your details with us and we then check you off our list (on our registration day – 10th August). We will have to upload a squad list with signatures of both parent and child so this will be done once we have all kids registered.

All new children will need to fill out a form and supply a birth cert (original) and 2 passport photos.

In order to balance out the numbers for some age groups it may be necessary to keep the kids at their appropriate age level. We'll know more when we have everyone registered.

We look forward to seeing you very soon!

Brian Long
Juvenile Secretary

SEASON 2019/2020

This season the Midlands School Boys and Girls league have returned to the regular Sept to May league format. This means that the upcoming season will be finished before the end of May 2020.

There will also be cup competitions this season for all age groups. Fixtures for all divisions are available from the msleague.ie website every Sunday evening. U13s upwards will have 4 weeks fixtures in advance. All other age groups are week to week.

League competitions are classed as non-competitive up to Under 12s.

We will be holding an end of season awards night in June to celebrate the achievements of all our age groups including player of the year and top goal scorer awards etc.

COACHES NEEDED!

This season we would love to put out 5 teams, but we are short a few coaches. If anybody is interested in coaching a team please let us know.

We will provide any training necessary to get new coaches up and running, including helping out with the first couple of training sessions and paying for any FAI related coaching courses you wish to attend (course details on page 2).

We won't just hand you a bag of footballs and send you on your way!

If you are interested please contact a member of our committee (details on page 2).

We look forward to expanding our coaching staff and delivering soccer to as many young players as possible!

It would be a great shame to have to cut an age group due to lack of volunteers.

IMPORTANT DATES

| | |
|----------|--|
